To keep things moving, David Lasker and my boss both favor sending our current joint draft to the coalition and acknowledging this letter.

This letter moots out some of joint WDNR/County/State comments we have prepared. Do you have a preference: Send the joint comments out anyhow, or try to revise them? If we revise, it will slow things down some more. Would be quicker to send the comments out, but acknowledge that they don't reflect what's in this letter.
